PRE-EID rush at the reservation counters of the City Station. — Dawn

Scuffle breaks out at railway station

By Our Staff Reporter

KARACHI, Jan 1: A scuffle broke out between railway and naval police at the City Station on Friday afternoon after the naval police allegedly tried to get past the long queues to make railway reservations for Eid.

Fist fights have become a regular occurrence at the railway booking offices, where passenger trains for upcountry destinations are fully booked after Jan 15. Two ranger mobiles have been deployed at the City Station at the request of railway officials to control the eruption of clashes at the passenger reservation office.

Although Pakistan Railways proposes to run a special Eid train for passengers on the 14th or 15th Jan, it is still not proving sufficient for passengers planning to travel to interior Sindh, Punjab and the Northwest Frontier province in order to celebrate Eid.

One officer told *Dawn* that he had instructed the rangers deputed at the City Station to check every 10 persons standing in the queue at the ticketing reservation counter, "since they are the ones involved in hoarding and selling of tickets."

Railway sources alleged the situation had been aggravated since the area MNA, Haleem Siddiqi, had deputed more than 30 members of the Khidmat Committee to monitor hoarding and blackmarketing of tickets.

The Khidmat Committee members were observed to be using their Khidmat card in order to book tickets for themselves and their relatives just before Eid. One lady at the reservation counter at the City Station complained on Thursday that she had come under intense pressure by the committee for not making reservations according to their wishes.

The ticketing sources claimed that despite the Eid rush outside interference had caused the daily revenue from bookings to fall from Rs2.5-3 million to Rs1.5 million.

According to the railway employees at the Cantt station, since the Khidmat Committee members who had intercepted coolies for blackmarketing tickets two days ago had done so bypassing the railway police and the area subdivisional magistrate, it caused resentment among the employees.

The president of Railway Workers Inqilabi Union, Manzoor Ahmad Razi, demanded that the interference from outsiders be ended.

Asif was looted of Rs6,700 in the Sharea Faisal police limits.

BODY FOUND: A young unidentified man was found dead with his hands and feet tied with ropes in Manghopir. The victim's throat was also slit. He had been skinned off which indicated that he was subjected to severe torture before he was killed and dumped in Ghazi Goth.

The body of the deceased was shifted to the mortuary for an autopsy. The police hunted the hideouts of the suspects in the city but had no clue to them. The corpse of the victim has, however, been kept in the morgue for identification. The police said the motive for the murder could be ascertained only after the suspects involved in it were apprehended.

SHOT DEAD: Security guard of a local bank was shot dead on Friday in SITE.

Initial reports said Tahir Hussain Sabri, 45, was on his way when two unidentified men stopped him near Lakhani Mill and forced him off the motorcycle at gunpoint. When he resisted, they opened fire at him and drove his motorcycle away. Tahir, hit by a bullet in the chest, died on way to the hospital. The victim, hailing from Faisalabad, had been living with his family in Qaimkhwani Colony. The police said it could not be ascertained immediately whether the motive for the murder was robbery or personal enmity.

WOUNDED: Two people were wounded in shooting in Gulbahar. They were identified as Haroon and Sadiq.

Mly court reserves order in vehicle snatching case

By Our Staff Reporter

KARACHI, Jan 1: In two cases of car and taxi snatching two separate military courts reserved their final orders after the accused were asked whether they had anything to say in mitigation.

In Court No 7, the three accused Mohammad Arif, son of Abdul Waheed of Shahdad Kot, district Larkana; Abdullah of village Kachi Phal, Balochistan; and Manzoor Hussain of Kandhkot, district Jacobabad, pleaded for mercy. They were accused of snatching a Honda Civic car (No U-2613) on gun point in Block 2, Gulshan-i-Iqbal, from its owner Faisal Baig.

The investigation officer of the police, Sub Inspector Malik Ghulam Haider, said two more cases of car snatching in Nazimabad and Steel Town are pending against one of the accused and he is on bail in both the cases.

Earlier, the prosecution and defence counsel submitted their written arguments and then the court presided over by Lt-Col Sarfaraz Khan Tanoli, adjourned for announcement of judgment.

In Court No 8, presided over by Lt-Col Razaq Zia, after the conclusion of evidence the accused Babar Lodhi was asked whether he had anything to say in mitigation of his sentence. To this he said he was the only bread earner of the family, consisting of parents in their old age and four unmarried sisters. He pleaded for mercy.

His co-accused, Muzzafar Khanzada was not asked any such question, which suggested he had not been found guilty of the charges. Both the accused were charged with the murder of Asif Ali, son of Roshan Ali of Malir. They were also charged with the hijacking of the taxi of Ahmed Ali, which was used for the dumping of the body. The body was found by the police.

The Court No 3, presided over by Lt-Col Mazhar Ali, examined six witnesses in the case involving murder of Mohammad Ilyas Ranta, son of Ahmed Ranta, resident of Federal 'B' Area.

Shahzad Ahmed son of Pervaiz Ahmed is facing trial and the co-accused in the case Mohammad Ramzan, son of Pehalwan, a resident of Nusrat Bhutto Colony, North Nazimabad, is absconding.

The witnesses examined were Sub Inspector of police, Inspector Shabbir Hussain Shah, Investigation Officer, Mohammad Saqlain of New Karachi Police station, Head Constable Syed Akhtar Hussain, ASI Zulfiqar Qaim Khani and Head Constable Taj.

On Saturday morning a medical doctor and a judicial magistrate will be examined.

In Court No 2, presided over by Lt-Col Mohammad Ali, three witnesses were examined, Inspector Asghar Ali Shah, Investigation Officer of Gulshan-i-Iqbal PS, Dr Rahman Mirza of AKUH and the accused, Mohammad Saleem himself.

The accused is charged with committing robbery at gun point of a Toyota Corolla car (No R-8702), cash and wrist watches from Arshad Hussain, Abid Ali, Siddique Rehmani and Farooq Niazi while they were sitting in Shamayle Centre in Block 13 of Gulshan-i-Iqbal.

The accused — Saleem son of Mohammad Sardar, a resident of Chak No 202 R.B. Faisalabad — is facing six charges.

The Court No 1, presided over by Lt-Col Tanvir Shaheen, examined a judicial magistrate Luqman Sayeed Memon, who had arranged the identification parade in his court on Dec 2 in the case against Nadeem Shahpar. In this case, there are two absconders, Fahim Lamba and Guddu.

The charge against the arrested accused and two absconders was that on June 24 they killed Anees Khan, son of Hanif Khan, by firing and all the accused have been charged under an offence punishable under Section 7 of the Anti Terrorism Act, 1997, read with Section 34 of PPC.

The second charge is that in furtherance of their common intentions caused the death of Anees Khan, son of Hanif Khan, thereby committing an offence punishable under Section 302 read with Section 34 of the PPC. The case has been registered at Korangi Police Station.

Nawaz orders action against Muttahida's social body

By Our Staff Reporter

KARACHI, Jan 1: The Sindh government has been asked by Prime Minister Nawaz Sharif to immediately cancel the registration of Khidmat-i-Khalq Foundation and also institute criminal cases against it for "inciting people against the state" through an advertisement in newspapers.

According to well-placed sources, while presiding over a law and order meeting here on Friday, the prime minister showed anxiety over the content of an advertisement in the press on Friday by Khidmat-i-Khalq Committee of the Muttahida Qaumi Movement.

According to the advertisement, people have been told that the foundation had been doing social work for the past many years for thousands of people without taking into consideration any caste, creed and ethnicity.

What has created concern in the government circles is the details about the MQM and its workers, supporters and sympathisers' "plight" claiming that the party was at present faced with another state-sponsored operation.

The advertisement also says that the families of thousands of people affected by the operation had been leading a miserable life and a number of those did not have two square meals a day.

Babies of some of the families even did not have milk because of the imprisonment and detention of the family bread-earners in jails and police stations where they had been subjected to a worst kind of torture, according to the advertisement.

The sources said the government felt that the text seeking donations was a charge-sheet by the social welfare organization, which was beyond the ambit and purview of any such organization.

Law changed to execute MTC convict in Ramazan

By H. A. Hamied

KARACHI, Jan 1: The military court convict was executed in Karachi Central Prison on Thursday morning after amendments were made by the governor of Sindh in the Pakistan Prisons Rules, allowing the prison authorities to carry out an execution during Ramazan.

The man, Ashraf Chakar Irani alias Wahid, aged about 30, son of Chakar, had been sentenced to death for having killed a police constable, Mohammad Siddique, in an encounter in Chakiwara on May 13.

According to clause 2 (i) of the Prison Rules, executions shall not take place on Fridays, gazetted holidays, the day following Friday and holidays and in the month of Ramazan.

Suleman Habibullah, a city lawyer, said Ashraf Chakar was executed after hurried amendments were made in the rules which had been in force for several decades. The notification of amendment was made a day before the execution under which Clause 2 Rule 361 has been omitted.

Whether the amendment will be permanent or the rules will be further amended back to their old form depends on the convenience of future governments, Mr Habibullah said.

The amendment was enforced with immediate effect by the order of the governor.

The lawyer said Rule 105, too, had been amended, and the proviso is as under:

"Provided that in the case (s) tried by the military court convened under the Pakistan Armed Forces (Acting in Aid of Civil Power), Ordinance, 1998, the inspector general of prisons, or the superintendent of jail on receipt of the final orders of the government to carry out the execution, shall fix a date for the execution of the sentence of death, not more than five years later than the date on which such orders reach him from the court of appeals."

Legal circles were of the view that the amendments had been made and death sentences were being carried out for the simple reason that the convicted person could not reach the high courts for challenging the order of the military court of appeal.

Previously, the high courts and the Supreme Court had stayed the orders of the military courts, or martial law courts, these experts said and added that these amendments were against human rights and fundamental rights of the citizens.

Ashraf Chakar was convicted and sentenced to death by a military court in Karachi on Dec 17. His accomplices Usman Ghani and Abdul Jalil were sentenced to 10 and 14 years in prison, respectively.

Ashraf was found guilty on both counts of terrorist activities and murdering a policeman.

The military court of appeals sitting in Karachi had dismissed the appeal of the three convicts but reduced jail sentence to 10 years RI.
